President’s Corner

Ladies,

I hope that everyone is doing fine. I know that many of you are busy with work and family. Remember to take time for yourself and relax.

As we go into this year, please remember to read our club policies and bylaws. We need to adhere to them to be in compliance.

If you attended our last meeting, you will have noticed the slight change in the order of the meeting and program. We will have the business session first and adjourn the business session prior to having our meal. Guests are encouraged to arrive at 6 for the meal and the program immediately following the meal. We have decided to only have the president and parliamentarian at the head table with the podium. Once the business session is adjourned, everyone will be seated in together. This will allow for officers to socialize with members and guests. We will have our meal at approximately 6 pm and start the program session sometime around 6:20 and no later than 6:30.

We hope that each of you will be able to attend this month’s meeting. We have a great program lined up.

At your service,

Karen Lamb
2012-2013 President
