Pacific Crest Trail Data Book

By Benedict Go
Genre: United States

Release Date: 2013-07-22

Pacific Crest Trail Data Book by Benedict Go is United States. The essential, cut-to-the-chase handbook to the Pacific Crest Trail, based on the comprehensive Wilderness Press guidebooks to the PCT, has been completely updated. Packed with trail-tested features, it's useful both on and off the trail, covering pre-trip planning for resupply stops, how to set daily on-the-trail mileage goals by knowing trail gradient and the locations of campsites, water sources, and facilities, and how to easily calculate distances between any two points on the trail, and how to planning both north-bound and south-bound hiking trips.

Anchorage and Southcentral Alaska: Second Edition

By: Deb Vanasse

The allure of its soaring mountains, pristine glaciers, and spectacular wildlife has been drawing visitors and new residents to Alaska for years. And what better place to begin than its largest city, which abounds in both natural and cultural splendors? From salmon fishing and dogsledding to cruising glaciers and flight-seeing in the bush, this authoritative guide shows you how to take full advantage of the many wonders of a city and a region where pretenses dissolve, and people are drawn together by their love of the outdoors and the spectacular beauty of the place.

Das Leben war ein Pfeifen. Kubanische Fluchten

By: Michael Saur & Thomas Schuler

Eine Insel im Meer des Kapitalismus, die darauf wartet, dass die Zukunft beginnt, sich die Wartezeit aber durchaus lustvoll zu vertreiben weiß, das ist das Kuba, dem Michael Saur und Thomas Schuler auf ihrer Reise begegnen. Wo Touristen Salsa lernen, vor allem aber Liebe suchen und meist die

Frommer's Shortcut Hawaii Big Island

By: Jeanne Cooper & Shannon Wianecki
An essential stop for any visitor to Hawaii, the "Big Island" of Hawaii features the unforgettable active volcanoes of Volcanoes National Park (a World Heritage site), ranches tended by Hawaiian cowboys, beachfront hotels of every size, historic local towns, superb shopping, and more. And this pocket-sized Shortcut Guide covers the best of them. It gets immediately to the point, and confines itself to the vital facts about lodging, dining, sightseeing, sea-bathing, golfing, and shopping, supplying the exact amount of detail that many readers regard as sufficient. The price of each book is refreshingly low, the usefulness excitingly high.

The Ascent of Denali (Mount McKinley)

By: Hudson Stuck
Though born and raised in England, explorer HUDSON STUCK (1865-1920) epitomized the adventurous New World spirit of the American West at its closing. Drawn by the wide-open spaces, Stuck, an Episcopal priest and champion of a rugged brand of "muscular Christianity," volunteered in 1904 to serve as the archdeacon of the Yukon; his spiritual domain encompassed 250,000 square miles of interior Alaska. Here, he achieved international fame by leading the first successful expedition, in 1913, to scale the highest peak in North America: Mount McKinley, though Stuck, long a defender of native culture, insisted on calling it by its Indian name, Denali. In this 1914 book, Stuck regales us with his dramatic account of the journey, from the dangers posed by sudden storms to the beauty of the glaciers, from the unexpected setbacks-like the fire that swept through their gear-to the "infinite attractiveness" of the challenge. Armchair travelers and lovers of extreme sports alike will thrill to this exciting tale.

The Good Rain

By: Timothy Egan
A fantastic book! Timothy Egan describes his journeys in the Pacific Northwest through visits to salmon fisheries, redwood forests and the manicured English gardens of Vancouver. Here is a blend of history, anthropology and politics. From the Trade Paperback edition.

But later I returned and bought the book. The Pacific Crest Trail wasn’t a world to me then. It was an idea, vague and outlandish, full of promise and mystery. Something bloomed inside me as I traced its jagged line with my finger on a map. My solo three-month hike on the Pacific Crest Trail had many beginnings. There was the first, flip decision to do it, followed by the second, more serious decision to actually do it, and then the long third beginning, composed of weeks of shopping and packing and preparing to do it.
