Introduction

I have always seen list's of famous Masons. To just look at the name means very little. When you date and place those names in the proper time line and placement of power you begin to see the deception and vastness of this power elite. What will shock you even more is to learn who the powers are behind the Freemasons. Notice the death's of non Masonic presidents or those who lost favor, and the shuffling of the vice presidents to get them in the position of takeover before the presidents were killed or removed. Note also the number of presidential running mates who lost the race for presidency were Masons also. A win win situation regardless of the outcome of the election. The Mason's have controlled this country from the beginning. Another interesting fact to consider is that of the 37 Presidents of the United States before Jimmy Carter, at least 18 or 21 (depending on which source you believe) were close relatives. That comes to somewhere between 48.6 percent and 56.7 percent-far to much to be coincidence, as any conspiritologist (or mathematician) would tell you. Of the 224 ancestors in the family tree of 21 Presidents, we find 13 Roosevelt's, 16 Coolidge's, and 14 Tyler's. Another source manages to relate 60 percent of the Presidents and link most of them to the super-rich Astor family. This data does not include genealogies of the five most recent President. Psychologist G. William Domhoff claims that a large part of America's Ruling elite, just like that of Europe, are related by marriage. (Everything is Under Control. Conspiracies, Cults, and Cover-Ups by Robert Anton Wilson pg 39-40)

This article is not intended to defame this country's forefathers. See Secret Societies All I am doing here is listing the facts. I will list other authors articles for you to refer to as corroboration. These names were compiled from the Masons own list of famous names posted on there websites. (See Links Below), along with other reputable sources. The names used in this document have been used from that list along with a brief summary of who they were,(*Encyclopedia Britannica, 15th edition.) and the role they played in our history. Keep in mind, you can not be a Christian and a practicing Mason, its an oxymoron. There are those who would write history in a form to hide its true meaning and agenda's. Rewriting U.S. History So it has been from the beginning. (The Masons write most of American History, for example the Mason's own Encyclopedia Britannica). The red dates are confirmed Mason Power years over this country as far as the Presidency, or Vice Presidency is concerned. This Page will be updated often. Please revisit.

I will let the facts speak for themselves.

As a Mason goes through the 32 degrees of the Scottish rite, he ends up giving worship to every Egyptian pagan god, the gods of Persia, gods of India, Greek gods, Babylonian gods, and others. As you come to the 17th degree, the Masons claim that they will give you the password that will give him entrance at the judgment day to the Masonic deity, the great architect of the universe. It is very interesting that this secret password is "Abaddon".

Revelation 9:11 They had a king over them, the angel of the Abyss, whose name in Hebrew is Abaddon, and in Greek, Apollyon. The 'angel' of the Abyss (Hell) is really the chief demon whose name is Abaddon. Masons claim then, that the deity they worship is Abaddon!

Abaddon and Apollyon both mean Destroyer. See: Destruction of the Trade Centers: Occult Symbolism Indicates Enemies Within Our Own Government

"The world is governed by people far different from those imagined by the public."
Benjamin Disraeli, Victorian-era Prime Minister of Britain,

Mat 21:42] Jesus said to them, "Did you never read in the scriptures: 'The stone that the builders (aka Freemasons) rejected has become the cornerstone; by the Lord has this been done, and it is wonderful in our eyes'?
[Mat 21:43] Therefore, I say to you, the kingdom of God will be taken away from you and given to a people that will produce its fruit.

"The great strength of our Order lies in its concealment; let it never appear in any place in its own name, but always concealed by another name, and another occupation. None is fitter than the lower degrees of Freemasonry; the public is accustomed to it, expects little from it, and therefore takes little notice of it. Next to this, the form of a learned or literary society is best suited to our purpose, and had Freemasonry not existed, this cover would have been employed; and it may be much more than a cover, it may be a powerful engine in our hands... A Literary Society is the most proper form for the introduction of our Order into any state where we are yet strangers." (as quoted in John Robinson's "Proofs of a Conspiracy" 1798, re-printed by Western Islands, Boston, 1967, p. 112)

1534 Church of Jesu. (aka Society of Jesus, Jesuits the power behind Freemasonry) Also headquarters of the Knights of Malta.

Founded in 1534 by Ignatius Loyola founder of the Illuminati, to combat the reformation and propagate the faith. (Reformation being salvation thru grace instead of the Catholic Church.) The Jesuit General, and the other high Jesuit Generals, they are sorcerers. They are LUCIFERIAN, and they worship what they would call Lucifer. They do not believe in Satan. They believe in Lucifer. This society is the power behind the Presidents, and the rest of the world.. The Jesuits obviously wrote the Protocols Of The Learned Elders Of Zion, because they have carried out every protocol in that little handbook. They have carried everything out. The Black Pope

1590's - Sir Francis Bacon, beginning in the early 1590's, began the detailed plans by which North America would be colonized. He was the supreme adept in the Rosicrucian Society, and established the super secret Knights of the Helmet [Ibid., p. 123-129], a society established along the lines of Rosicrucianism. And, finally, Bacon was responsible for the modern birth of Freemasonry, as detailed by Masonic author, George V. Tudhope, in his book, Bacon Masonry, ISBN 1-56459-108-5, reprinted by Kessinger's Publishing. Thus, we can see that the occult activities of our original occult Forefathers mentioned above was merely the outworking of an occult plan originally conceived "thousands of years before Columbus ever sailed"! Our Masonic forefathers were merely following the details of the occult plan as envisioned specifically by Sir Francis Bacon in the 1590's, operating according to the vision provided him by his Guiding Spirit. Masonic
Forefathers

1733 - In the United States, the first Masonic circles began to appear in 1733; by the time of the American Revolution, nearly 150 lodges existed throughout the colonies.

1761 - James Otis, born in Mass. Known for his famous challenge to the British-imposed writs of assistance—general search warrants designed to enforce more strictly the trade and navigation laws in North America. At this time he also reportedly coined the euphonious, oft-quoted phrase, "Taxation without representation is tyranny." He was chosen as speaker of the house in 1766. Confirmed Mason.

1764 - Samuel Adams, born in Boston. A major propagandist, opposing British officials and policies, as well as British taxation in the colonies. In 1773 he participated in the planning of the Boston Tea Party. Adams also signed the Declaration of Independence in 1776. Served as delegate to the Continental Congress until 1781, and became governor of Massachusetts from 1794-97. Confirmed Mason and Illuminatist.

Other Parts of the World England. 1765-1795 Edmund Burke, born Dublin Ireland. Entered the House of Commons in 1765. As a member of Parliament he became known as a Political thinker and important in the history of political theory. Confirmed Mason.

1773 It's just like Freemasonry. The lower Freemasons have no idea that the High Shriner Freemasons are working for the Jesuit General. They think that they're just doing works and being good people. But the bottom line is that the high-level Freemasons are subject, also, to the Jesuit General because the Jesuit General, with Fredrick the Great, wrote the High Degrees, the last 8 Degrees, of the Scottish Rite Freemasonry when Fredrick protected them when they were suppressed by the Pope in 1773. So, you have the alignment with the Jesuit Order and the most powerful Freemason they had in the craft, Fredrick the Great, during their suppression. That is an irrefutable conclusion. And then, when you see the Napoleonic Wars, the French Revolution and the Napoleonic Wars carried out by Freemasonry, everything Napoleon did, and the Jacobins, whatever they did, completely benefited the Jesuit Order. The Black Pope

1775 - Joseph Warren, born Roxbury, Mass. Soldier and leader in the American Revolution who sent Paul Revere and William Dawes to Lexington and Concord on their famous ride to warn local patriots that British troops were being sent against them. Helped draft a group of protests to Parliament known as the "Suffolk Resolves." Confirmed Mason. In December 1769 Warren, received commission for the Earl of Dalhousie, Grand Master of Masons in Scotland, appointing him Provincial Grand Master of Masons in Boston and within 100 miles of the same. The commission was dated May 30, 1769. When the Earl of Dumfries succeeded Dalhousie as Grand Master of Scotland he issued another appointment to Warren, dated March 7, 1772, constituting Warren "Grand Master of Masons for the Continent of America," thus extending his original limits.

1775 - Paul Revere, born in Boston. Hero of the American Revolution whose dramatic horseback ride on the night of April 18, warning Boston-area residents that the British were coming. Confirmed Mason. GRAND MASTER GRAND LODGE OF MASSACHUSETTS A.F. & A.M. 1795 - 1797

1776 - John Hancock, born in Mass. Wrote and the first to sign the Declaration of Independence, and served nine terms as the Governor of Mass. Confirmed Mason.

1776 - Benjamin Franklin, born in Boston. Was one of the diplomats chosen to negotiate peace with Great Britain, and who helped draft the Declaration of Independence, one of the 56 who signed this document, and was instrumental in achieving the adoption of the U.S. Constitution. Was also a Mason. Franklin was the Grand Master of the Grand Lodge of Pennsylvania and published the first Masonic book in America. Was also a member of Sir Francis Dashwood's Hell Fire Club, along with the Collins family of Satanists. Both Franklin and Thomas Jefferson were members of this purely Satanic group who practiced satanic sexual occult rituals. (The Illuminati Bloodlines, Fritz Springmeier)

"Remains of ten bodies at Ben Franklin's home"

Workmen have dug up the remains of ten bodies hidden beneath the former London home of Benjamin Franklin, the founding father of American Independence.
The remains of four adults and six children were discovered during the 31.9 million restoration of Franklin's home at 36 Craven Street, close to Trafalgar Square. Researchers believe that there could be more bodies buried beneath the basement kitchens.

Initial estimates are that the bones are about 200 years old and were buried at the time Franklin was living in the house, which was his home from 1757 to 1762, and from 1764 to 1775. Most of the bones show signs of having been dissected, sawn or cut. One skull has been drilled with several holes. Paul Knapman, the Westminster coroner, said yesterday: "One cannot totally discount the possibility of a crime. There is still a possibility that I may have to hold an inquest." Ten Bodies Found Under Ben Franklin's Home

1776 The Illuminati formed a committee entitled the Biblical Destruction Group. This committee disbanded 50 years later. To Eliminate the Opiate" (out of print) by Rabbi Antelman. The APOCRYPHA

1776 "From the Jesuit College of Ingolstadt is said to have issued the sect known as 'the Illuminati of Bavaria' founded by Adam Weishaupt. Its nominal founder, however, seems to have played a subordinate though conspicuous role in the organization of this sect." [Occult Theocracy, Lady Queenborough, originally published in 1933] On May 1, 1776, the Order of the Illuminati was officially founded in the old Jesuit stronghold of Bavaria. The Company would now use the Jewish House of Rothschild to finance the French Revolution and the rise of Napoleon the Freemason with his Jesuit-trained advisor, Abbe Sieyes. In spite of the historical writings of the Jesuit Abbe Barruel, who blamed the Rothschild's and Freemasonry for the Revolution, it was the Society of Jesus that used these very tools to carry out the Revolution and punish the monarchs who dared to expel the Jesuits from their dominions. The Jesuits, having been expelled from the Spanish Empire, found refuge in Corsica. From there they raised up their great avenger, Napoleon Bonaparte. The Black Pope

1776, Adam Weishaupt, a famous Mason, had developed the Illuminati, a secret society within a secret society. One Masonic historian himself has stated that the goals include "found[ing] a new Hierarchy, to overturn all authority, and to press down all the Social Order under the level of Equality." Another Masonic historian stated "the express aim of the Order was to abolish Christianity, and overturn all civil government." In Weishaupt's own words, the Illuminati "will by degrees, and in silence, possess themselves of the government of the States, and make use of those means for this purpose...." illuminati_faq.htm

1777 - Baron Von Steuben, born in Magdeburg, Prussia. German officer who proved indispensable to the cause of U.S. independence by converting the Revolutionary Army into a disciplined fighting force. While in France as agents of the newly formed U.S. government, Benjamin Franklin, and Silas Deane, learned of Steuben's plight that he had been obliged to leave for unsavory conduct, from Hohenzollern Hechingen, where he was made a knight of the Order of Fidelity in the neighboring margravate of Baden and Durlach, which brought about his availability. This prompted a letter of introduction, from Benjamin Franklin, and Silas Deane on his behalf, introducing him to Gen. George Washington as a "Lieut Genl. in the King of Prussia's service," who was fired with " Zeal for our cause. Confirmed Mason.

1777 - Lafayette. French noble who fought with the American colonist against the British in the American Revolution. Confirmed Mason and a member of the Illuminati. Appointed a major general by the colonist, he quickly struck up a lasting friendship with the American commander in chief, George Washington, also a Confirmed Mason. Charles Taze Russell (founder of the Watchtower and Bible Tract Society), also a Confirmed Mason. His stepmother who was executor of his will. 1779 - John Paul Jones, Scottish- born navel hero in the U.S. War of Independence, renowned for his victory over British ships of war off the east coast of England (Sept. 23 1779). Confirmed Mason.

1782, On July 16, the year after the British surrendered to the Americans, representatives of the world's secret societies convened the Congress of Wilhelmsbad in Europe and formally joined Masonry and the Illuminati. In the next four years the Order was able to secretly establish several lodges in America. In 1785, for example, the Columbian Lodge of the Order of the Illuminati was established in New York City. Its members included Governor DeWitt Clinton, Clinton Roosevelt ...(p.92 New World Order: The Ancient Plan of

Secret Societies, William T. Still, 1990)

"When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his Craft. The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly handle energy." (Manly P. Hall, The Lost Keys of Freemasonry, p. 124; )

The question of precisely what fires the will of the wealthy supranational elites seeking to manipulate and control world events, has not escaped the attention of serious students of conspiracies and cover-ups. The late American Professor Revilo P. Oliver, a confirmed atheist, was forced to conclude: "A theory that a conspiracy has been working consciously for many centuries is not very plausible unless one attributes to them a religious unity. That is tantamount to regarding them as Satanists engaged in the worship and service of supernatural evil. The directors of the conspiracy must see or otherwise directly perceive manifestations which convince them of the existence and power of Lucifer. And since subtle conspirators must be very shrewd men, not likely to be deceived by auto-suggestion, hypnosis, or drugs, we should have to conclude that they probably are in contact with a force of pure evil." (Prof. Revilo P. Oliver, Conspiracy or Degeneracy? , USA)

"In politics, nothing happens by accident. If it happens, you can bet it was planned that way."
(President Franklin D. Roosevelt)

WE NAME PRESIDENTS

In order that our scheme may produce this result we shall arrange elections in favor of such presidents as have in their past some dark, undiscovered stain, some "Panama" or other - then they will be trustworthy agents for the accomplishment of our plans out of fear of revelations and from the natural desire of everyone who has attained power, namely, the retention of the privileges, advantages and honor connected with the office of president. The chamber of deputies will provide cover for, will protect, will elect presidents, but we shall take from it the right to propose new, or make changes in existing laws, for this right will be given by us to the responsible president, a puppet in our hands. The Illuminati Protocols

1783 The Revolutionary War was fought and concluded when Cornwallis surrendered to Washington at Yorktown. As Americans we have been taught that we defeated the king and won our freedom. The Treaty of 1783, which totally contradicts our having won the Revolutionary War. This Treaty was signed in 1783, the war was over in 1781. If the United States defeated England, how is the king granting rights to America, when we were now his equal in status? We supposedly defeated him in the Revolutionary War! So why would these supposed patriot Americans sign such a Treaty, when they knew that this would void any sovereignty gained by the Declaration of Independence and the Revolutionary War? The United States is still a British Colony

By the way, Prince Charles Coat of Arms has another symbol--The Order of the Garter. The Order of the Garter is the parent organization over Free Masonry, world-wide. When a man becomes a 33rd Degree Mason, he swears allegiance to that organization, and thereby to Prince Charles. The Bible gives us 42 signs of the Antichrist

1785 President George Washington, in a letter written to the Reverend G. W. Snyder: "Reverend, Sir, it was not my intention to doubt that the doctrine of the Illuminati -- the principles of Jacobinism -- had not spread in the United States. On the contrary, no one is more satisfied of this fact than I am." Shortly before he died, President Washington was well aware that the Adam Weishaupt radical brand of Freemasonry, the Illuminati, had spread its poison to America.

"It doesn't matter who the people voted for; they always vote for us".

United States Presidents Who Were and Are Freemasons

The United States of America was actually formed on March 1, 1781 with the adoption of The Articles of
Confederation by Maryland whose delegates delayed its ratification over a western border dispute with Virginia and New York. Upon the March 1 ratification the President of the Continental Congress officially became President of the United States in Congress Assembled.

To make matters even more perplexing some historians claim that John Hanson was the first President of the United States as he was the first person to serve the full one-year term (1781-82), under the ratified Articles of Confederation. This again is incorrect.

The ratification occurred during the term of Samuel Huntington who served as President from **September 28, 1779 to July 6, 1781.** Consequently, **Samuel Huntington was the first President of the United States** in Congress Assembled. The 1st President of the United States 1789-1797 **George Washington, 1st. President of the United States?** (F)Confirmed Mason. Initiated: November 4, 1752, Fredericksburgh (Fredericksburg) Lodge No. 4, Fredericksburg, Virginia. Brother Washington became Worshipful Master on December 20, 1788, and was inaugurated President of the United States on April 30, 1789, thus becoming the first, and so far the only, Brother to be simultaneously President and Master of his Lodge. Washington took his oath of office as President, April 30, 1789, on the bible belonging to St. john's Lodge No. 1 of New York City. *(The New Age Magazine, January 1953, pg. 44)* The New Age Magazine is a Masonic publication. Also a member of the Knights Of The Garter. Order of the Garter is the core leader of the Committee Of 300. Washington was a member of the Scottish rite, performed the 'Rite of the Mystic Tie' in a cave-complex near Winchester Virginia during the French and Indian war. *(Masonic Assassination, Michael Anthony Hoffman pg. 4)* "The United States is in no manner founded on Christian principle." *(George Washington Treaty of Tripoli)* No Vice Presidents at this time. Washington, the Freemason who did not go into that Masonic Lodge that last 30 years of his life—in his own words—who was a Baptist and a Calvinist. He was baptized in the First Baptist Church of New York by one of his captains, Pastor Gano, all surrounded by Calvinists. That's why they didn't surrender at Valley Forge; that's why, when they were naked, when they went through the snow, barefoot, they endured that because they were Bible-believing Calvinists and they refused to submit to the tyranny of King George, who was controlled by the Jesuits. **The Black Pope**

1789 John Robison warned all Masonic leaders in America that the Illuminati had infiltrated into their lodges and on July 19, 1789; David Papen, President of Harvard University, issued the same warning to the graduating-class and lectured them on how the influence of Illuminism was acquitting on American politics and religion, and to top it off; John Quincy Adams, who had organized the New England Masonic Lodges, issued his warnings. He wrote three letters to Colonel William L. Stone, a top Mason, in which he exposed how Jefferson was using Masonic lodges for subversive Illuministic purposes. Those three letters are at this very time in Whittenburg Square Library in Philadelphia. In short; Jefferson, founder of the Democratic Party, was a member of the Illuminati which at least partly accounts for the condition of the party at this time and through infiltration of the Republican Party; we have exactly nothing of loyal Americanism today. **THE ILLUMINATI AND THE COUNSEL ON FOREIGN RELATIONS**

1791 Wolfgang Amadeus Mozart dies.. Some say murdered by the masons for revealing Masonic secrets in his opera The Magic Flute. Confirmed Mason (Born In Blood, John J. Robinson, pg. 177)

1798 Napoleon Bonaparte (1769-1821) was initiated into Army Philadelphia Lodge in 1798. His brothers, Joseph, Lucian, Louis and Jerome, were also Freemasons. Five of the six members of Napoleon's Grand Council of the Empire were Freemasons, as were six of the nine Imperial Officers and 22 of the 30 Marshals of France. Confirmed Mason.
1798 Soon after the American Revolution, John Robinson, a professor of rural philosophy at Edinburgh University in Scotland and member of a Freemason lodge, said that he was asked to join the Illuminati. After studying the group, he concluded that the purposes of the Illuminati were not compatible with his beliefs. In 1798, he published a book called "Proofs Of A Conspiracy," which states: "An association has been formed for the express purpose of rooting out all the religious establishments and overturning all the existing governments.... The leaders would rule the World with uncontrollable power, while all the rest would be employed as tools of the ambition of their unknown superiors." Operation Paper Clip

1800 John Quincy Adams opposed Thomas Jefferson for the presidency and wrote three letters to Colonel William L. Stone, exposing how Jefferson was using Masonic Lodges for subversive Illuminati purposes. The information contained in those letters is credited with winning Adams the election. The letters were held in the Rittenburg Square Library, in Philadelphia.
