The Prime Ministers: From Robert Walpole To Margaret Thatcher

George Malcolm Thomson

Past Prime Ministers. Show past Prime Ministers. 75 Past Prime Ministers. Margaret Thatcher’s father, a shopkeeper and Mayor of Grantham, was a major influence in her childhood. She was educated at the local grammar school and studied Chemistry at Oxford University, where she became president of the university Conservative association. Thatcher read for the Bar before being elected as the Conservative MP for Finchley in 1959. She held junior posts before becoming Shadow Spokesperson for Education, and entered the Cabinet as Education Secretary in 1970. In Opposition she stood against Edward Heath for the party leadership in 1975 and won. Her victory was considered a
Margaret Thatcher’s father, a shopkeeper and Mayor of Grantham, was a major influence in her childhood. She was educated at the local grammar school and studied Chemistry at Oxford University, where she became president of the university Conservative association. Thatcher read for the Bar before being elected as the Conservative MP for Finchley in 1959. She held junior posts before becoming Shadow Spokesperson for Education, and entered the Cabinet as Education Secretary in 1970. In Opposition she stood against Edward Heath for the party leadership in 1975 and won. Her victory was considered a Sir Robert Walpole was a British statesman who served as the first Prime Minister of Great Britain. His tenure lasted for twenty years making him the longest serving Prime Minister in British history, a record which he holds till date. Coming from a politically active family, Walpole’s influence was such that his era of dominance is fondly remembered as Robinocracy or Robinarchy. A Whig politician, he first came into politics in 1701 as a member of the parliament. Soon, he jumped up the ladder and took up many senior positions. It was under George’s reign that Walpole was first elected as th...
