Well you're in luck, because here they come. There are 123055 patchwork quilt for sale on Etsy, and they cost $66.45 on average. The most common patchwork quilt material is cotton. The most popular color? Along with patchwork, quilting is most often associated with its use for bedding. But quilts are not only practical objects. The quilts in our collection have been preserved for many different reasons, whether sentimental or commemorative, as examples of needlework skills and techniques, or even because of the specific fabrics used in their designs. What is quilting? If quilting is often associated with warmth and protection, patchwork is more closely associated with domestic economy—a way of using up scraps of fabrics or of extending the working life of clothing. Unlike quilting, patchwork remained a predominantly domestic, rather than professional, undertaking. Not all patchwork was produced for reasons of economy, however.
