Chapter VI

For many years the novels of Robert Kroetsch have been canonized as paradigmatic Canadian postmodern and postcolonial texts. This thesis argues that Kroetsch’s texts are antimodernist works which reveal his reaction against modernity. This thesis explores each of Kroetsch’s novels in chronological order, from the unpublished text When Sick for Home to his most recent novel The Man from the Creeks, arguing that Kroetsch’s novels should be viewed as texts that demonstrate his antipathy towards modernity, which is manifested in Kroetsch’s nostalgic idealization of the ima. The mind map begins with a central topic in the middle, and then new ideas can be added, moved and connected to different ideas as you begin to brainstorm and think of different story lines. Novel Plotting Mind Map Examples. One of the easiest ways to understand how to mind map your novel is to look at a few examples. With just a few different examples, you can easily see the many different ways a mind map can help you in brainstorming for ideas and organizing the flow of ideas! Note: If you like these mind maps shown below, each of these mind map examples we use below were used with the softw
