The Oxford Companion To Irish History

S. J Connolly

Oxford Companions is a book series published by Oxford University Press, providing general knowledge within a specific area. The first book published in the series was The Oxford Companion to English Literature (1932), compiled by the retired diplomat Sir Paul Harvey. The series has included (in alphabetical order): Booknotes interview with Joel Krieger on The Oxford Companion to Politics of the World, July 4, 1993.
"With its appearance in 1998 the Oxford Companion set a benchmark among reference works on Irish history for accuracy, comprehensiveness, and scholarly detail. Since then Irish history, politics, and culture have continued to develop and transform themselves, and the new edition admirably extends its team of contributors to broaden the coverage of art, literature, archaeology, and material culture as well as contemporary writing and current politics. It re-emerges more indispensable than ever."

Roy Foster, Carroll Professor of Irish History, University of Oxford, and author

In a field that has long been at the epicentre of political and academic debate, The Oxford Companion to Irish History offers a comprehensive and authoritative guide to all aspects of this fascinating and complex land. Written by a team of 91 renowned experts in the field of Irish studies, the Companion’s 1,800 A-Z entries explore Irish history from earliest times to the early 21st century. Revised and updated this second edition of the Companion takes an inclusive approach to Irish history, with entries ranging from horse racing to Home Rule, bogs to boxing, and Parnell to parliaments. T

Previously neglected aspects of Irish history are at last being subjected to serious academic scrutiny, leading to a reassessment of many of the traditional assumptions about the past. Moreover, publishing houses in Ireland (and Britain) have of late displayed an admirable commitment to marketing a wide range of studies, both populist and specialist in nature, providing a greater choice of titles for public consumption than ever before. The move from dusty archival obscurity to trendy coffee-table respectability is epitomised by The Oxford Companion to Irish History, a new single-volume compen
