Measurement In Direct Social Work Practice

Betty J Blythe; Tony Tripodi

In This Article Direct Practice in Social Work. Introduction. Introductory Texts. At the bachelor’s and master’s foundational levels, the Council on Social Work Education requires that bachelor’s programs and the first year of master’s programs teach generalist practice. Generalist practice encompasses a wide array of theories and approaches but contains the following common elements (Compton, et al. Work Practice 000 Social Work as a Profession 000 Current Challenges 000 Generalist Practice and the Generalist Perspective 000 Defining Direct Practice 000 Micro, Mezzo, and Macro Practice 000 Direct Practice Roles 000 Therapist/Counselor 000 Educator 000 Broker 000 Case Manager 000.
